"equivalent handicap" ...!

hiroyuki vs shichuan battle

agreement before battle

hiroyuki temporarily loses eyesight

pupils open because of dropping mydriatic in eyes

it is bright and vision grows senile

use less

white darkness

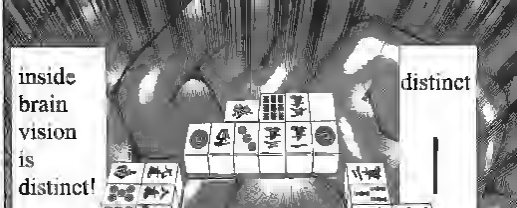
inside "white darkness"
shichuan's fired reach!
noisy
noisy
noisy
this reach.

translated by baidu scans do not upload to mangafox or else



inside brain vision is distinct!
distinct

cut actual thing of 3rd go around ……!

not mc jing chuan's only weapon ……
"god eyes" are
フッ!
dod ged

memory power also is uncommonly excellent!
dodges shichuun's reach ——!
hiroyuki easily
how ever
if so, alright
can go
next go around

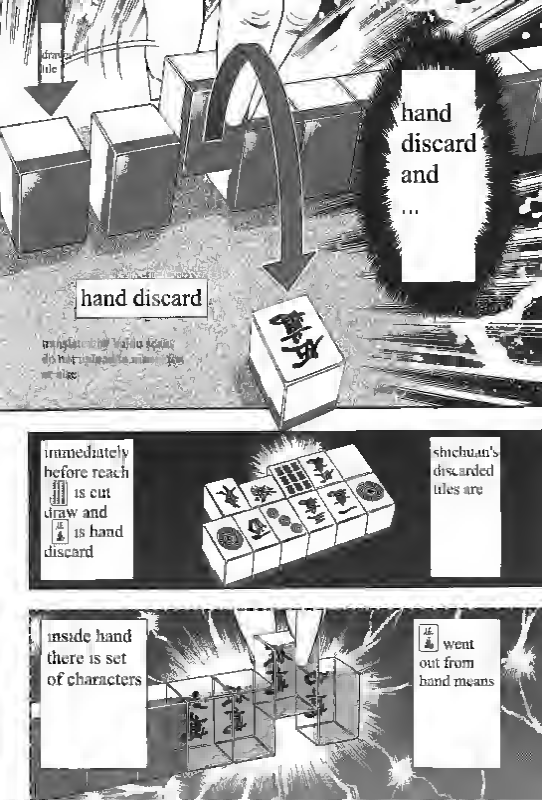
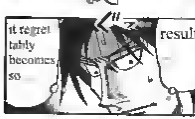
cannot cut overflowing bamboo ...!!
dyed hand of bamboo ...!
translated by baidu scans
fatal lack ...?!
this is...
there is lack... of definite information
it is natural... for me jingshuan now...



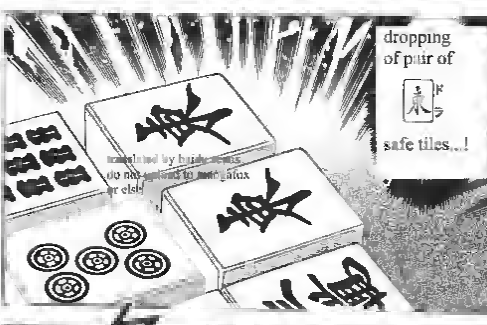
hand discard
hand discard and ...
immediately before reach is cut draw and is hand discard
shichuan's discarded tiles are
inside hand there is set of characters
went out from hand means

cannot distin guish!!
cut draw
cut draw
it is most basic of basics of reading
whether cut draw or hand discard
to not understand is...
hiroyuki of blindness does not understand
in other words it is not dyed hand of bamboo

fatal wound ...!
at this level is...



it regrettably becomes so
result



dropping of pair of
safe tiles...!

cannot face me ...!
ku ku ku
ku !

110A.
